Children's Foundation 

GROWING STRONGER TOGETHER

TOGETHER, WE MAKE A DIFFERENCE

UnitedHealthcare Children's Foundation (UHCCF) is a 501(c)(3) charitable organization that provides medical grants to help children 16 years old or younger gain access to health-related services not covered, or not fully covered, by their family's commercial health insurance plan. Through our mission, we strive to significantly enhance the clinical condition or quality of life of children across the United States.

Since 2007, UHCCF has helped thousands of families throughout the nation get the timely financial support they needed – all thanks to the generosity of our donors.

WHY OUR SUPPORTERS GIVE

- 100% of the proceeds from our fundraising events and programs goes toward medical grants.
- Feel good knowing they're making an impact in children's lives.
- Make our communities stronger, one child at a time.
- Provide quick financial relief so families can focus on their child, not expenses.
- Increase the chance for every child to live a healthier, happier life.

We share a heartfelt thank you to all of our selfless donors and supporters who continue to do good and impress us all. You truly make a difference.

Has UHCCF changed your life? We'd love to hear your story. Please share it with us at customerservice@uhccf.org.

Help make the next story possible. Visit uhccf.org to see the many ways you can contribute and be involved.

At UHCCF, we're on a mission to help kids and change lives. We believe we can only achieve this by working together to help others live better. This year, we're extremely proud to say that your support has helped us do that.

When more families than ever needed our help, you stepped up to donate, volunteer, and participate in major ways – even when events turned virtual. You let nothing get in the way of doing good.

One of the many families we were able to help was Aidan's from Vernon Center, MN. Aidan raced his way into our hearts, and onto the cover of this year's Annual Report. Born with sacral agenesis, Aidan is missing the lower part of his spine and has anomalies of the upper spine as well. This left him with non-corrective scoliosis and lower leg paralysis. Even with his conditions, he was determined to excel at track. Thanks to medical grants from UHCCF, Aidan was able to obtain a specialized racing chair and wheels fit just for him. With his new wheelchair and an endless love of racing, Aidan has won a State Championship medal and numerous medals at Junior Nationals. He's even used his skills to fundraise for UHCCF. Today, he is currently training for a half marathon and proving nothing can slow him down.

Thank you for supporting our mission and helping kids like Aidan live the lives they deserve.

Aidan, Age 16
Vernon Center, MN

It goes without saying, 2020 was one for the history books. Thanks to our generous supporters, UHCCF finished the year in a strong financial position – enabling us to continue to provide medical grants to families in need. Thank you for helping in that effort.

We are proud to announce that in 2020, we provided 3,312 medical grants valued at more than \$4.7 million. Since 2007, UHCCF has provided 25,450 grants valued at \$54.9 million to children and families across the United States – and we are now celebrating our 25,000th grant recipient, Ella. Born with only a partially-functioning heart, Ella has already undergone three open-heart surgeries, with more surgeries and a possible heart transplant to come.

UHCCF presented Ella of Surprise, AZ, with our 25,000th medical grant, proudly awarded in honor of Bob Hart of Scottsdale, AZ, before he passed away in January of 2021. In addition to serving as a UHCCF Regional Board member since 2009, Bob also left us with a legacy of kindness and generosity. Through his participation in golf and cycling events, and his own hosted events, Bob helped fund more than 75 UHCCF medical grants for children throughout the West region. We are thankful for all his selfless support, and know he is missed by many.

A fundraising highlight of the year was the 11th Annual MN Golf Classic at Hazeltine National Golf Club and Olympic Hills Golf Club. In one fun-filled day, over 200 golfers raised enough to help fund nearly 1,000 medical grants.

Equally successful was our Century Ride event. While heavy rains canceled our in-person ride, it didn't dampen riders' dedication to ride for a great cause. In the end, more than 130 riders participated during the one-day virtual ride. A huge thanks goes to all of our participants and generous sponsors who stuck with us and stepped up when it mattered most.

We couldn't be more thankful for all the UnitedHealth Group employees who continue to be at the forefront of supporting UHCCF. This year, employee contributions increased by more than 13% over prior years. While impressive, we believe it's only the beginning of great things to come when even more employees get involved with our cause.

We look forward to continued momentum and growth throughout 2021.

Thank you for your support,

Matt Peterson

Meet our HEROES

Salma

BALTIMORE, MD | AGE 5

Salma was diagnosed with spastic paraplegia at the age of three. Since then, she has been involved in extensive physical and occupational therapies to help her improve her neurological functions, as well as helping her to adjust to life in a wheelchair. UHCCF's multiple medical grants have helped cover the costly therapy copays, a wheelchair, and injections to treat spasticity in Salma's legs. Alongside the financial impacts, the grants have also improved Salma's confidence. She has developed great relationships with the therapy staff and her community; a hugely empowering feeling for this five-year-old.

Tyce

STANSBURY PARK, UT | AGE 9

Tyce has always been a fun-loving, active boy, but when he developed an unquenchable thirst, his parents took note and wondered what was wrong. Diagnosed with type 1 diabetes, Tyce's life was suddenly changed. He and his family faced many doctor visits, insulin shots, and mounting monthly medical bills. To ease the burden of these new medical expenses and seemingly endless painful finger pricks, his parents applied for a UHCCF medical grant. Because of the grant, they were able to give Tyce what he really needed – a continuous glucose monitor and insulin pump. Now he can check his sugar levels any time of the day without having to poke his finger. Today, he's free to do what he really loves: playing with his friends and jumping on his trampoline.

Kin

STONE MOUNTAIN, GA | AGE 10

Kin was born with a rare and complex health condition called Cloacal exstrophy (OEIS Syndrome). It is comprised of a combination of defects resulting in a need for ankle foot orthotics, forearm crutches and consistent catheterization. While this condition presents many challenges, Kin doesn't let it stop him from doing all of the activities he loves. A grant from UHCCF has provided his family with the resources to cover the costs for specialist visits and procedures that Kin needs to stay healthy. For Kin that means the freedom to play with friends and participate in his favorite hobby, karate.

Madison

HARRISON, OH | AGE 12

When Madison was born, her doctors diagnosed her with mild-moderate hearing loss in her left ear and severe profound hearing loss in her right ear. As she got older, Madison needed numerous speech therapy sessions to improve her ability to read and communicate. Facing mounting medical bills, her family reached out to UHCCF. With a UHCCF medical grant, Madison was able to receive bi-cross hearing aids made specifically for her. Thanks to her hearing aids, and much improved ability to hear, Madison is now excelling in her studies as well as her favorite sport, volleyball.

SENDING THANKS to our sponsors

Thank you to all of the corporate partners and sponsors who stood by us throughout 2020 to help provide support to children and families. While many of our events switched to virtual formats, the commitment of our partners and sponsors was unwavering. In all, more than 200 partners and sponsors supported UHCCF events in 2020, helping to fund 1,500 medical grants!

Watch Madison's story and see how our partners and sponsors were there when she needed it most: youtu.be/ckerxCdRB0M.

Madison, Age 12
Grant Recipient

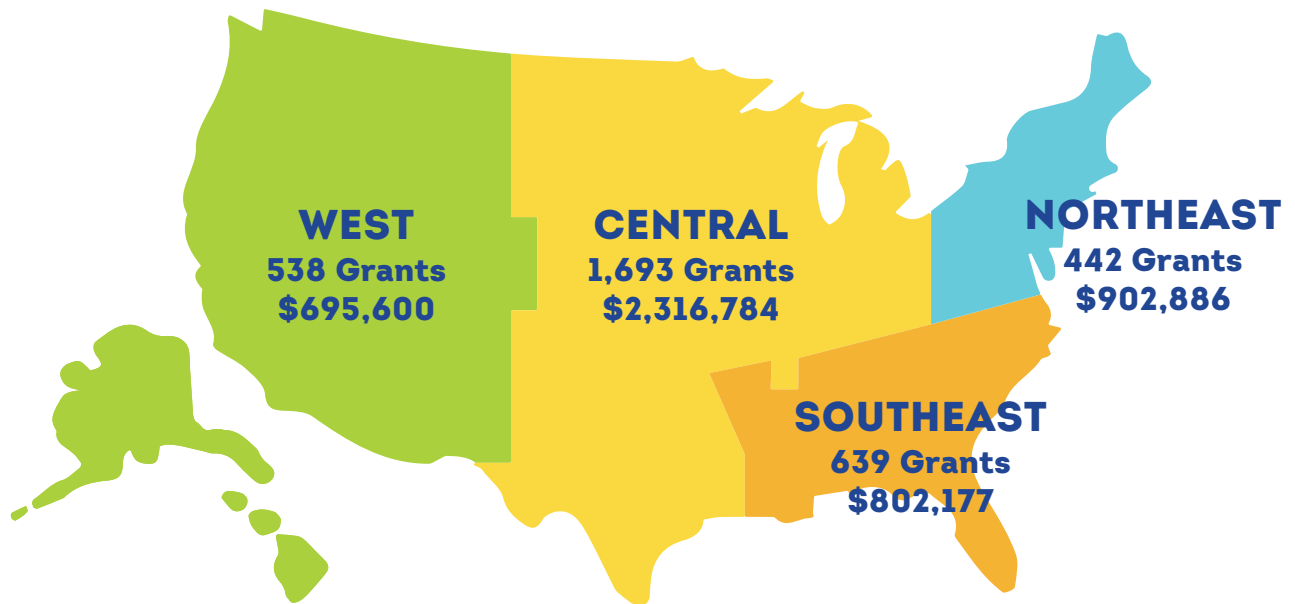

Impacting **LIVES**

A UHCCF medical grant can be applied to help cover the cost of deductibles, coinsurance, and copays as well as non-covered services (ex: therapies, durable medical equipment, hospital stays, medication, mental health services, and more).

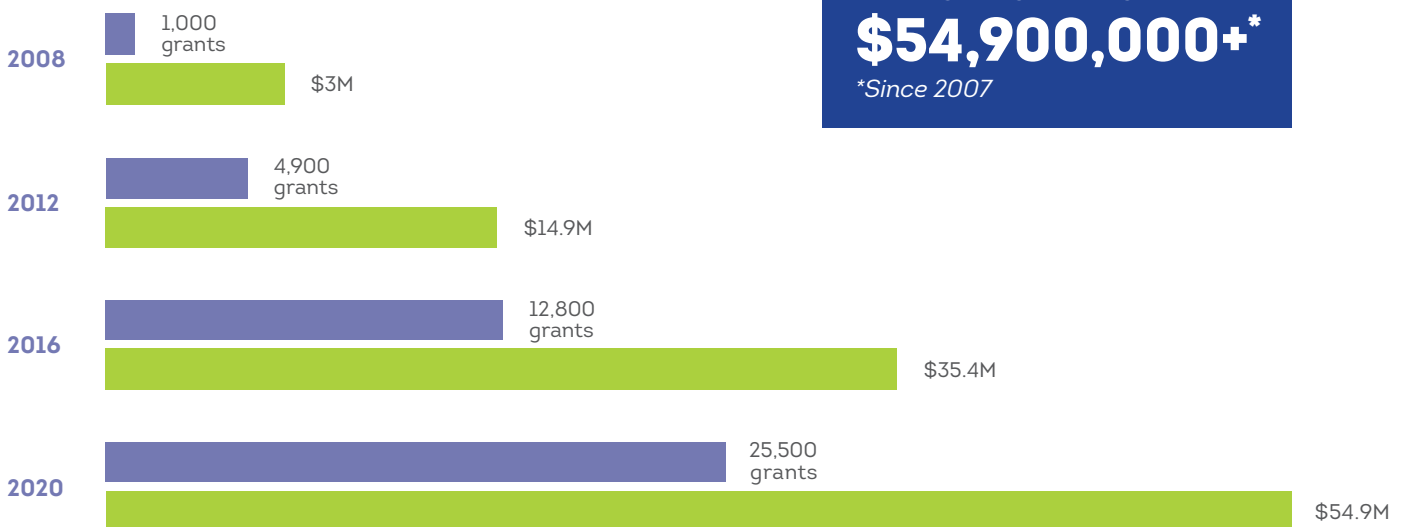

WHAT DOES A UHCCF GRANT COVER?

\$50	Helps cover the copay for a prescription
\$100	Allows a child to get mental health help
\$500	Pays for 10 speech therapy sessions
\$1,500	Covers the deductible for hearing aids
\$2,500	Funds an entire medical grant

2020 GRANTS AWARDED BY REGION

TOTAL 25,450+ MEDICAL GRANTS
\$54,900,000+*
**Since 2007*

UnitedHealth Group employees are HEROES

Employee Giving

The financial gifts of UnitedHealth Group employees provide some of our greatest donation dollars. Each year we are honored to celebrate all employees who give from the heart. This year was no exception. UnitedHealth Group employees demonstrated the value of compassion in grand fashion in 2020, with donations exceeding all expectations.

Hero Days

In April, over 7,000 UnitedHealth Group employees throughout the country pledged their donations during the annual Hero Days fundraising campaign, with another 1,200+ joining as Holiday Heroes by donating in December. In total, we were able to raise enough to fund more than 1,900 UHCCF medical grants! A special thank you goes to our sponsor LabCorp who provided a custom UHCCF mug to all employees who gave \$25 or more during the special Holiday Heroes campaign.

Ambassador Program

Thanks to UHCCF Ambassadors, comprised of UnitedHealth Group, UnitedHealthcare, and Optum employees, our program has never had more support. Today, we're proud to be 880 ambassadors strong. This dedicated and passionate group of UHCCF volunteers come together to support programs and events to further UHCCF's mission throughout the year like RoundUp, Steppin' Up For Kids, and our auctions. Last year alone, our Ambassadors logged more than 400 hours of service to UHCCF by volunteering at local fundraising events, representing UHCCF at Combined Federal Campaign events, attending Provider Information Expos, and more.

Where are they **NOW?**

Kaelyn

REXBURG, ID | **AGE 17**

As a young child, Kaelyn won her battle against cancer, but lost her hearing due to chemotherapy. Thanks to a UHCCF medical grant, her family was able to afford specialized hearing aids that not only help her hear, but they also help her form a stronger connection to the world around her. If you ask Kaelyn, she'll tell you that her new hearing aids gave her the confidence she needed to push herself in life. (The ability to stream music was also a nice bonus.) Today, her newfound confidence has enabled her to earn a black belt in Taekwondo and is also helping Kaelyn pursue her dream of becoming a veterinarian.

Marissa

DELANO, MN | **AGE 23**

Up until 8th grade, Marissa was an ambulatory athlete. While she couldn't run like her peers due to being born with spina bifida, she could still compete. Soon realizing that she wasn't performing at the level she wanted, Marissa and her mom searched for a new solution. That's when they discovered wheelchair basketball. While watching a local wheelchair game, Marissa was called to get in and play. Using a wheelchair for the first time, Marissa saw her true potential. With a UHCCF medical grant, she was able to receive a fitted wheelchair that helped her talents take off to a point where she earned MVP honors and was recruited to play basketball at four colleges. Today, she's using her skills off the court to shape the lives of kids as an educator.

Going a round for a GREAT CAUSE

Minnesota Golf Classic

Two rounds of golf made for one successful day on August 3. While COVID-19 restrictions changed up the event's format, we thank all of our amazing sponsors, golfers, and volunteers who made our 11th Annual MN Golf Classic an absolute hit at Hazeltine National Golf Club in Chaska, MN, and Olympic Hills Golf Club in Eden Prairie, MN.

Our tournament was themed "Where Are They Now?" At both courses, we were honored to have a grant recipient family in attendance to share how a UHCCF medical grant impacted their life – reminding everyone of the cause behind the event. The turnout was incredible. During the event, attended by 200+ golfers, more than 1,000 medical grants were funded. We couldn't have done it without our presenting sponsor Shutterfly, and supporting sponsors, SKYGEN USA, Three Rivers Provider Network, and many more.

Mid-Atlantic Virtual Golf Event

Over 70 guests took part in our first-ever Mid-Atlantic UHCCF Virtual Golf Classic on December 14. During the virtual event, Bryson DeChambeau, seven-time PGA Tour winner, and Jim “Bones” Mackay, golf commentator and caddy, shared stories about their golf careers. Bryson also discussed his recent U.S. Open title, swing change, and diet and workout routine. In the end, great stories were shared, and a generous amount of money was raised for children’s medical grants in the Northeast region.

Thank you to Bryson, Bones and all of our dedicated sponsors for joining us to raise funds and awareness for the work done by UHCCF.

Titus

LAWRENCE, KS | AGE 3

Always a happy child, Titus brings joy to all he meets. But it was his lack of communication that concerned his parents. While seeking medical advice, it was revealed that Titus has Autism. Thanks to a UHCCF medical grant, Titus was able to receive therapy at an Applied Behavioral Analysis (ABA) center. Through his therapy, he’s learned how to speak two-word phrases, use the potty, and communicate his wants and needs.

GREATEST RIDES in the region

Century Ride

Heavy rains could not stop our riders from doing good.

**CENTURY
RIDE**

Over 130 riders participated in the 9th Annual UHCCF Century Ride in Eden Prairie, MN on July 26. Though the in-person ride was canceled due to weather, our first-ever virtual ride proved to be a success with riders putting in the miles on their own time. Despite the rain and shortened route, this was our most successful year ever. A huge thank you to our riders, presenting sponsor Zelis, and all of our sponsors for making this an incredible event.

Ride Into Spring

This Spring brought with it many fabulous gifts to bid on during our 5th Annual Ride Into Spring Auction on May 5-15. A few lucky bidders took home Felt bikes, Michael Kors handbags, autographed memorabilia and more – all to help raise money for children's medical grants.

Ride Into Spring
MAY 5-15, 2020

4th Annual Frosty Fat Tire Festival

The 2020 Frosty Fat Tire Festival saw more than 65 riders participate, including 14-year-old grant recipient Rylee from Alexandria, MN. From the frosty shores of Minnetonka Beach, MN, guests enjoyed al fresco dining, bingo, raffles, and a silent auction for a bike.

2nd Annual Mission Ride

Thanks to over 40+ riders, UHCCF was able to raise funds for future medical grants during the Mission Ride in San Antonio, TX, on March 7. Each rider biked through beautiful Mission Concepción, Mission Espada, Mission San Juan, and Mission San Jose. We were honored to have Kenny, our 11-year-old grant recipient from Converse, TX, there to motivate all of our riders.

4th Annual Tour de Triangle

What a ride! Thanks to all of our participants, volunteers, and riders who made our virtual ride in September a success. We're excited to announce that 60 participants rode over 2,000 combined miles to help raise money for medical grants for kids in the Southeast region! Thank you to our host SAS and presenting sponsor Stratacent for making this a memorable event for all.

6th Annual Velo & Vines Century Ride

Due to social distancing requirements, this year's Velo & Vines Century Ride was virtual. Participants chose to ride predetermined courses in Healdsburg, CA, Minneapolis, MN, or ride their own route. The event was a huge success, with 46 riders and sponsors helping to raise money for medical grants for kids in the West region. A big thank you goes to our host Three Rivers Provider Network, presenting sponsor Zelis, and all the riders.

Having fun and DOING GOOD

Steppin' Up For Kids

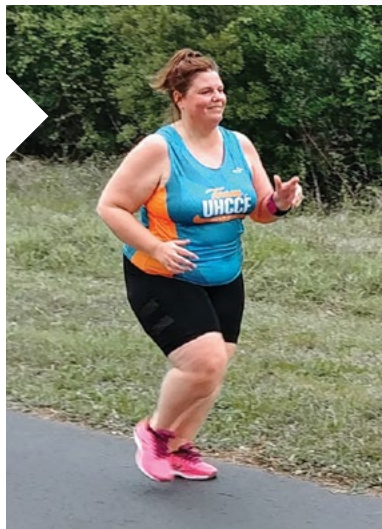

Talk about steppin' up, that's exactly what 1,003 people did during the UHCCF's 4th Annual Steppin' Up For Kids virtual walk to help raise money for a great cause! A big congratulations goes to the West region for raising the most. Because of their efforts, Walgreens proudly presented the West region with an additional \$10,000 to fund UHCCF medical grants! Congratulations also goes to the top fundraisers in each region: Stephanie Martin, West Region; Jeff Gutshall, Central Region; Jacintha Sutton, Southeast Region; and Dawn Biggins, Northeast Region.

Team UHCCF

Team UHCCF was back at it once again. This year, more than 300 people showed their support and spirit for UHCCF – despite all but one of our events turning virtual. Team UHCCF members participated in races throughout the country, including the Rock 'n' Roll Marathon Series, Grandma's Marathon, and Teddy Bear Run. Each member either tackled a marathon, half marathon, 10K, or 5K, and pledged to fundraise for UHCCF. A big thank you goes to UnitedHealthcare and Optum for sponsoring these great events.

Running up the fundraising

Team UHCCF helped raise big money for medical grants:

CENTRAL REGION:

Twin Cities Marathon | 12+ Grants
Grandma's Marathon | 15+ Grants

SOUTHEAST REGION:

Disney Star Wars Run | 15+ Grants

WEST REGION:

Rock n' Roll, Phoenix | 12+ Grants
Teddy Bear Run | 23+ Grants

Giving kids hope with every swing

During a social event at Topgolf in Baton Rouge on October 14, more than 100 people showed up to play, dine, and socialize while raising funds for children's medical grants. The fun night was filled with contests, a silent auction, grant recipient stories, and lots of laughs. A special thank you to our presenting sponsor Hub International, platinum sponsors People's Health, and Ochsner Health Services, and all our volunteers and participants for making this a night to remember.

Thanks from OUR FAMILIES

Gwendoline CHICO, CA | AGE 13

"Thanks to a UHCCF medical grant, Gwendoline was able to receive an insulin pump for her type 1 diabetes. With it, she was able to go from 15-20 shots every three days down to one every three days. Gwendoline no longer has anxiety about eating, because she doesn't have to give herself a shot afterwards. Now, she enjoys eating and is gaining healthy weight! We cannot thank you enough."

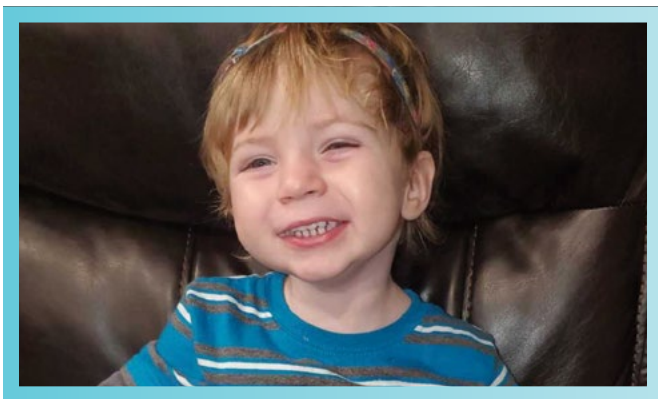

– Gwendoline's Family

Liam RALEIGH, NC | AGE 6

"Liam's lack of speech impedes his education and requires costly speech therapy sessions. Every January, I fear the financial burdens that kick in due to having to meet our high deductible once again. Thanks to a UHCCF medical grant, he is able to continue his therapy sessions. I'm happy to say that he's gone from saying three-word sentences to 10-12-word sentences! He can now express himself and his emotions and can communicate that he understands what is happening around him. The sky's the limit for him now! "

– Liam's Family

Zander NORFOLK, NY | AGE 2

"My son was born with Microtia and Atresia (no ear canal). Thanks to a UHCCF medical grant, we were able to get a hearing device. He now wears and loves his bone-conduction device so much; he complains when we take it off at night. We love that UHCCF gave my son the chance to hear with both ears. It's so amazing to see. Thank you so much, UHCCF!"

– Zander's Family

Ilyas PICKERINGTON, OH | AGE 7

"We very much appreciate the grant we received for my son's ABA therapy services. We see improvement since he has been diagnosed and we will never give up on our son reaching his potential. It also gives me empathy for all other parents and children going through this. Thanks for your support."

– Ilyas' Family

Making the holidays happier for ALL

Simply Do Goods™

In 2020 UHCCF proudly launched Simply Do Goods – our online storefront where every purchase helps raise money for children's medical grants. To see items and shop, visit shopuhccf.org.

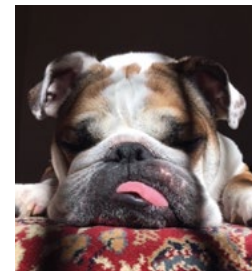

Keeping spirits bright: Hope for the Holidays

We started the holiday season in the spirit of giving during Hope for the Holidays – a collection of unique shopping experiences, programs, and partners to help raise funds for UHCCF medical grants by sharing all or a portion of proceeds. There were themed jumbo Oliver bears, exciting online auctions, and great gifts for anyone's list. This event alone helped us provide more than 175 medical grants for kids and brings us that much closer to our goal of giving away our 50,000th grant by 2030.

Pic My Pet Photo Contest

Our first annual Pic My Pet Photo Contest proved to be a big hit – and a cute one at that. A total of 298 participants entered photos of their pets to be voted on and helped raise money for medical grants. In the end, three pups stood out. Pippin, Gus, and Scout took top honors and their place on the cover of our new *Simply Silly Animal Jokes Joke Book*. Special thanks to our contest sponsor Figo.

Together, we DO CHANGE LIVES!

In 2020, 1,476 Grins² items were donated to 148 different hospitals. These

gifts brought joy to not just one, but two children! While one child in a hospital received a healthy dose of laughter and inspiration from your Grins² gift, the contributions also helped a second child receive the medical treatment they need through a UHCCF medical grant.

We're making it even easier to give. You'll soon be able to shop our Grins² storefront on our Simply Do Goods online store. Just make your purchase, and we'll deliver it to one of the participating organizations as part of the Grins² program.

You can purchase any UHCCF product on our Simply Do Goods online store and have it delivered to one of the participating organizations as part of the Grins² program. It's the easiest way to make two kids feel great when they need it most.

Visit: shopuhccf.org

Made for big smiles and small spaces

UHCCF products are designed and selected to help a child smile – no matter where they are. Our Grins to Go drawstring bag gifts were created to allow children to play on small surfaces, such as a food tray over a hospital bed.

We hope you'll join us as we continue to deliver smiles to children in the hospitals of all 50 states. We are staying in contact with participating organizations to better understand new rules regarding COVID-19. Some hospitals have temporarily suspended accepting donations to ensure the safety of their patients and we are monitoring this to ensure all donations bring smiles and sunshine to kids as soon as any restrictions are lifted.

Hope's Heroes

Hope's Heroes events encourage hosts to think up their own fun events to raise money for UHCCF. This year, 18 host-your-own events were held and helped UHCCF raise funds for children's medical grants, including the perfect pet contest, pumpkin decorating, best Halloween costume, ugly sweater contest, 5k training support, and pedal for good. Visit: uhccf.org/support-uhccf/team-building-programs

Delivering a smile is easy!

Select the product you want to donate. Select "Grins² - Donate to a Children's Hospital"

Select a state and hospital

Add items to your cart and complete donation

Continue shopping to send additional smiles or send the same item(s) to a different hospital

Visit shopuhccf.org

RoundUp App: Change for kids

It's amazing how a little spare change can make a big difference in the life of a child. With the RoundUp App, supporters round up their everyday purchases to the next dollar for UHCCF – all in a safe, secure, and easy way. While it kicked off in Q3 of 2020, it exceeded our 2020 goals by 195% in just four months! Visit uhccf.org/roundup to learn more and enroll today.

Be part of a child's LEGACY

UHCCF Planned Giving Program

Our Planned Giving Program allows donors be part of grant recipients' lives and legacies. Your support today will impact generations to come.

Choose how you want to give:

- Memorial and tribute gifts
- IRA charitable rollovers
- Beneficiary designations (i.e., retirement plans, wills, and living trust bequests)
- Appreciated stocks
- Charitable trusts
- Charitable annuities

It's easy to find the right gift and become a hero:

We now accept gifts of appreciated stock. Working with your financial or tax advisor, we can create a personalized giving plan that's right for you.

Contact:

Scott Otto at scott_d_otto@uhg.com, by phone 763-361-9331, or visit our website at uhccf.org/support-uhccf/planned-giving.

How to Apply for a Grant

The UnitedHealthcare Children's Foundation offers medical grants that provide timely financial relief for families who have children with medical needs not covered, or not fully covered, by their commercial health insurance plan. Families do not need to have UnitedHealthcare insurance to be eligible. Please help us give the gift of hope to families in need.

Discover all the ways to help impact the lives of children and their families.

uhccf.org

How to Make a Contribution

Interested in helping fund medical grants for children in your area? Visit uhccf.org to make an online contribution or send a check payable to UnitedHealthcare Children's Foundation to:

UHCCF

PO BOX 860734

Minneapolis, MN 55486-0734

DOUBLE YOUR DOLLARS!

If you are a UnitedHealth Group, UnitedHealthcare or Optum employee you can submit your receipt to have your donation matched by the United Health Foundation.

Visit: uhccf.org/support-uhccf/donate

Not an employee of UnitedHealth Group, UnitedHealthcare or Optum?

Use our online lookup tool to see if your employer participates in our match program.

Visit: uhccf.org/support-uhccf/donate

Chloe

POWDER SPRINGS, GA | **AGE 12**

At birth, Chloe was diagnosed with Atresia, a medical condition causing her to be completely deaf in her left ear and partially deaf in her right ear. With the help of two UHCCF medical grants, Chloe's family was able to afford bone-anchored hearing aids, Cochlear Bahas, that helped her gain almost 100% of her hearing on both sides. Today, Chloe is hearing well and celebrating the independence she once lacked.

United
Healthcare 
Children's Foundation

THANK YOU!

Together, we do change lives.

With your support, UHCCF can improve the lives of children and families across the nation. Since 2007, your donations have helped deliver over 25,450 grants valued at more than \$54.9M. And, we continue to grow stronger together!

MN017-W400 | 9700 Health Care Lane | Minnetonka, MN 55343
