Creating BRIGHTER FUTURES together

TOGETHER, WE MAKE A DIFFERENCE

UnitedHealthcare Children's Foundation (UHCCF) is a 501(c)(3) charitable organization that provides medical grants to help children 16 years or younger gain access to health-related services not covered, or not fully covered, by their family's commercial health insurance plan. Through our mission, we strive to significantly enhance the clinical condition or quality of life of children across the United States.

Since 2007, UHCCF has helped thousands of families throughout the nation get the timely financial support they needed – all thanks to the generosity of our donors.

WHY SUPPORT UHCCF

- Proceeds from our fundraising events and programs support UHCCF's mission.
- Feel good knowing they're making an impact in children's lives.
- Make our communities stronger, one child at a time.
- Provide timely financial relief so families can focus on their child, not expenses.
- Increase the chance for every child to live a healthier, happier life.

We share a heartfelt thank you to all of our selfless donors and supporters who continue to do good and impress us all. You truly make a difference.

Has UHCCF changed your life? We'd love to hear your story. Please share it with us at customerservice@uhccf.org.

Help make the next story possible. Visit uhccf.org to see the many ways you can contribute and be involved.

At UHCCF, our priority is building brighter futures together for kids. Lives have been changed because of a concerted effort among families, providers and supporters. Continued support and engagement by our donors has helped ensure brighter futures for kids.

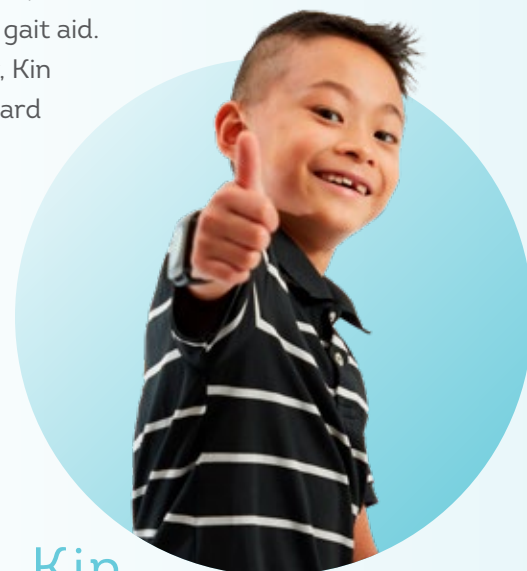

Despite continued challenges, you were still there, helping, donating and participating in creative and valuable ways. That kind of spirit has helped us make the lives of children better and brighter.

A magnificent example is Kin. Born with a rare condition, Kin wouldn't walk or be able to engage in normal kid activities without proper care. The condition, cloacal exstrophy, is a combination of defects requiring ankle and foot orthotics, forearm crutches and consistent catheterization. When Kin arrived at his adoptive parents' home at age 5, he was confined to a wheelchair, his legs encased in casts from reparative surgery – the first of several.

As costs mounted, his parents were spared making difficult choices about Kin's care by a grant from UHCCF. His mother explains, "We would be in a world of hurt, if it wasn't for medical grants like this one." As a result of treatment funded by a UHCCF grant, within months of his arrival, Kin took his first steps without a walker or other gait aid.

Since those first steps to today, Kin has never stopped moving forward – FAST. The active 10-year-old is unstoppable. A bundle of energy, nothing slows Kin down whether basketball, soccer, cooking, reading or playing with friends.

Thank you for supporting our mission so that we can build brighter futures together for children like Kin.

Kin

Stone Mountain, GA | Age 10

YOUR DEDICATION makes futures bright

The outpouring of support for UHCCF in 2021 was impressive and appreciated. Thanks to supporters, UHCCF finished the year in a strong financial position – enabling us to continue to provide medical grants to families. We couldn't have done it without your dedication to our mission.

We are proud to announce that in 2021, we provided 3,457 medical grants valued at more than \$5.1 million. Since 2007, UHCCF has provided 28,927 grants valued at \$60.1 million to children and families across the United States.

A fundraising highlight of the year was the 12th Annual MN Golf Classic at Hazeltine National Golf Club, Interlachen Country Club and Olympic Hills Golf Club. In one fun-filled day, over 416 golfers raised enough to help fund more than \$2 million.

Also successful was our 10th Annual Century Ride event. Despite 90-degree temps and high humidity, participants were happy to be back in the saddle this year. A new addition in 2021 was a shorter, 62-mile ride. In the end, more than 188 riders participated in the annual bike ride for a great cause. A huge thanks to all of our participants and generous sponsors who stepped up when it mattered most.

We couldn't be more thankful for all the UnitedHealth Group employees who continue to be at the forefront of supporting UHCCF. This year, employee donations raised enough to fund 2,000 medical grants. While impressive, we believe it's only the beginning of great things to come when even more employees get involved with our cause.

We look forward to continued momentum in 2022.

Meet our HEROES

Juliet

SEEKNOK, ME | AGE 14

Upon returning from a family spring break vacation, Juliet, a smart, articulate 7-year-old, was suddenly unable to speak or even tie her shoes. Her parents took her to the ER. After multiple tests, a cardiologist listened to her heart. He determined she had contracted rheumatic fever after an undiagnosed strep infection. The rheumatic fever damaged her aortic and mitral valves, leading to complete bedrest and multiple hospital visits. After the first year of treatments, her parents were dismayed by the mounting costs. At the recommendation of a social worker, her parents contacted UHCCF. The medical grant they received allowed the family to focus on Juliet and her care. Now a healthy teen, Juliet is back to herself; already thinking about going to college to be a cardiologist. Thanks to the UHCCF medical grant, her future has never been brighter.

Tatiana

LAS VEGAS, NV | AGE 14

At age 3, Tatiana was diagnosed with immune thrombocytopenic purpura - a bleeding disorder. Initially, doctors thought she might outgrow the condition, but that didn't happen. She needed several surgeries, blood transfusions and platelet transfusions. Because her immune system is compromised, Tatiana has less contact with friends and family, a significant stressor for a teenager. However, a grant from UHCCF helped Tatiana receive the care she needed. Tatiana's mother, a single mom, felt overwhelmed by mounting medical bills for surgeries and transfusion. With less concern over finances, Tatiana and her mom can concentrate on what matters most - enjoying time together. Today, Tatiana has been transformed from a quiet, tentative child to a confident, expressive young woman with aspirations she could never have had without help from UHCCF.

Meet our HEROES

Jayden

COLUMBIA, SC | AGE 14

Jayden, born with a congenital heart defect that caused his pulmonary veins to be connected to the wrong side of his heart, needed surgery. His open-heart surgery at age 10 went well, but he developed arrhythmia. He had to wear a heart monitor and needed expensive medication to treat his condition. His parents wondered how they would pay for his care. Thanks to the UHCCF grant, Jayden's family could focus on his recovery and well-being. Today, the active teen has a normal life. He hunts and rides his bike, everything his friends can do. His love of swimming trumps all his other interests. As a member of his local community swim team, Jayden feeds that passion, which would have been impossible without the right care. Now his sights are set on the University of Georgia to study architecture.

Hayden

WEST ST. PAUL, MN | AGE 17

Hayden has a form of cerebral palsy called spastic diplegia, characterized by abnormal tightness in her leg muscles. The cerebral palsy also causes problems with her upper extremities, making everyday tasks like buttoning a shirt or using a pencil challenging. Hayden has had many surgeries to help with her mobility. As a multi-grant recipient, Hayden has represented UHCCF to advocate for the needs of disabled children. She has spoken on behalf of the needs of disabled children in Washington, D.C., and the Minnesota State Capital, as well as other advocacy events. Hayden's mom is appreciative of the UHCCF grant, saying it has blessed the family and enabled her to do many things for Hayden.

THANK YOU sponsors for helping us create brighter futures together

Do you know who makes a difference? Our corporate sponsors. You were there with us through thick and thin to ensure that children and their families can thrive.

Thank you! In all, more than 200 partners and sponsors made it possible to award 3,457 medical grants in 2021. Your commitment and dedication to supporting UHCCF is helping build a brighter future together with kids.

Aidan, Age 16
Grant Recipient

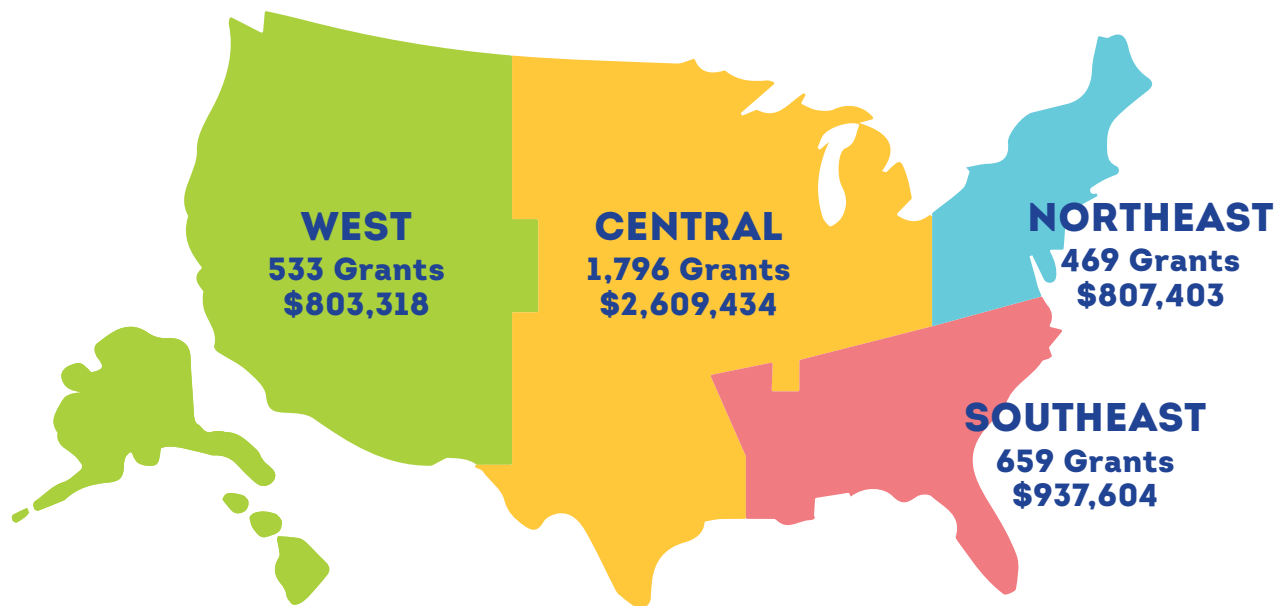

BUILDING brighter futures

UHCCF medical grants can help cover the cost of deductibles, coinsurance and copays. Grants can also help pay for services that aren't fully covered - therapies, durable medical equipment, hospital stays, medication, mental health services and more.

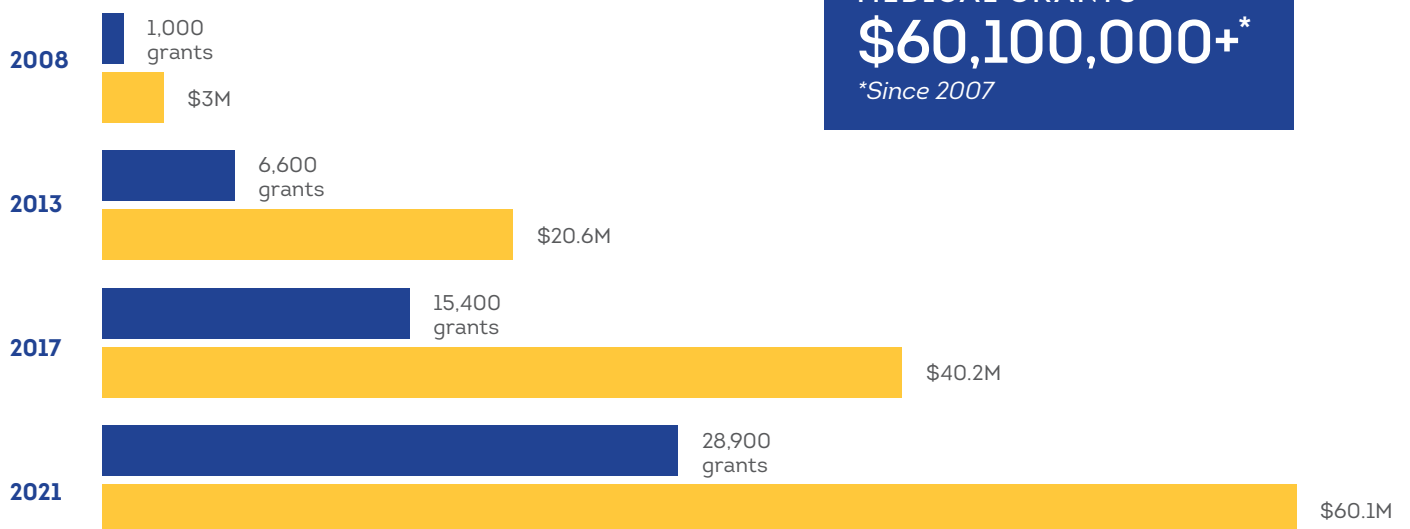

WHAT A UHCCF GRANT COVERS

\$50	Helps cover the copay for a prescription
\$100	Allows a child to get mental health therapy
\$500	Pays for 10 speech therapy sessions
\$1,500	Covers the deductible for hearing aids
\$2,500	Funds an entire medical grant

2021 GRANTS AWARDED BY REGION

TOTAL 28,900+ MEDICAL GRANTS
\$60,100,000+*
**Since 2007*

UnitedHealth Group employees: GROW HOPE

Employee Giving

The generosity of UnitedHealth Group employees is inspiring. Every year we're touched and honored by the selfless giving of employees. Once again, employee gifts and support exceeded expectations in 2021.

Hero Days

In April, 6,300+ UnitedHealth Group employees stepped up with donations during our Hero Days fundraising campaign. An additional 1,570 supporters donated through the Holiday Heroes program in December. All totaled, the dollars raised allowed UHCCF to fund more than 2,000 medical grants. Special thanks to Labcorp, this year's Holiday Heroes campaign sponsor.

Ambassador Program

The UHCCF ambassadors, comprised of UnitedHealth Group, UnitedHealthcare and Optum employees, are tireless in their support of furthering our mission. Today, we have 870 ambassadors, whose dedication and passion have driven support for UHCCF programs and events. This group of amazing volunteers helped to expand various UHCCF programs through volunteerism, campaign promotion and holding their own fundraisers. They come together throughout the year to support programs and events - Oliver Talks, a book drive and our holiday auction. Last year, our ambassadors logged a record 1,470 hours of service to UHCCF by volunteering at local fundraising events, representing UHCCF at Combined Federal Campaign events, attending provider information expos and more.

Where are they NOW?

Tony

OTSEGO, MN | AGE 20

As an infant, Anthony “Tony” didn’t thrive like his twin sister. He couldn’t sit up and his head always leaned to the right. His diagnosis: cerebral palsy. Initially, he was treated with physical and occupational therapy. By age 10, his parents knew he needed major surgery, but the cost of surgery was prohibitive. Fortunately, over the years, Tony has been awarded three UHCCF grants, totaling \$7,500 for surgery to remove his right femur plate and ongoing physical therapy costs. The grants allowed Tony to have the surgery and his family to focus on his care. At age 20, Tony is living a healthy, vibrant life and pursuing a degree in sports marketing.

Golfing for HOPE

Minnesota Golf Classic

The 12th Annual Minnesota Golf Classic was a huge success in 2021. The year's largest event, raising funds for more than 1,830 medical grants, brought 416 golfers. It sold out three golf courses.

Five grant families joined us at the three courses. These past grant recipient families provided living proof of how these events change lives - creating brighter futures together. We couldn't have done it without our presenting sponsor Shutterfly, and tournament sponsors Skygen USA, MultiPlan, Excelsior and many more.

SHUTTERFLY 

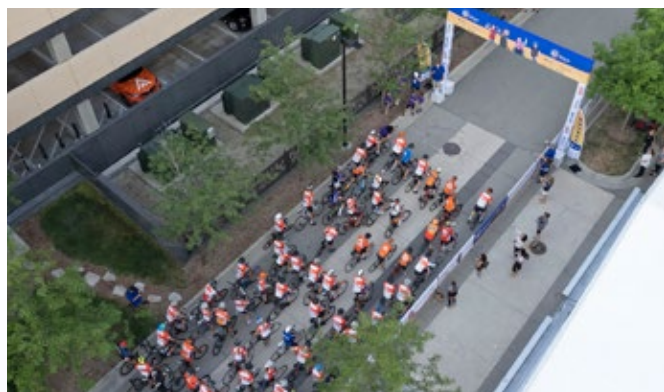

A simple bike ride CHANGING LIVES

Century Ride

The Century Ride was launched in 2012 by eight men, dubbed the *original* eight – Ric Blanchard, Helmut Braun, Dan Cohen, Mike Connly, Kevin Knarr, Jeff Meyerhofer, Rob Webb and Dave Wichmann. The ride has morphed into a 100-mile or 62-mile ride that has been a fundraising anchor for the UHCCF Hope Ride cycling series, raising \$4.5 million since its inception. On July 26, 188 cyclists of all ages and backgrounds convened to the scenic course and pedaled for a good cause. Ninety-degree temperatures didn't deter the spirits of the cyclists who made this UHCCF's most successful ride ever. Hats off to our riders and sponsors; Presenting Sponsor Zelis, AMS, Teledoc, Skygen, Optum Global Advantage and others for helping make this event outstanding.

"The Original Eight" from 2012

UHCCF
CENTURY RIDE

PRESENTED BY **zelis** ✨

Regional golf events

Mississippi Golf Classic

On October 7, the 12th annual golf event was held at the beautiful Annandale Golf Club in Madison, Mississippi. Sponsored by HUB International, the tournament hosted 76 golfers who golfed “fore” good. Special events at the tournament included a pro long driver and ball toss.

Mid-Atlantic Virtual Golf

More than 60 people participated in the 2nd annual Mid-Atlantic Virtual Golf Classic on October 26. During this exclusive event, American professional golfer and PGA champion, Zach Johnson was interviewed by NBC/Golf Channel golf commentator and caddie, Jim “Bones” Mackay. Johnson discussed his recent role at the Ryder Cup as vice captain, as well as his Masters and U.S. Open championship wins.

Thanks to Zach, Bones and all of our dedicated sponsors for joining us to raise funds and awareness for the UHCCF mission.

Regional bike ride events

5th Annual Frosty Fat Tire Festival

In Minnesota, where many are cold, but few are frozen, more than 65 dedicated riders took to the course at the 2021 Frosty Fat Tire Festival on February 5. Below zero temperatures didn't stop riders from participating at our new venue, Tanadoona in Excelsior, Minnesota. Guests enjoyed al fresco dining, bingo, raffles and a silent auction.

7th Annual Velo and Vines Century Ride

UHCCF
Velo & Vines
HEALDSBURG, CA
HOSTED BY: TRPN

The June 12-14 hybrid ride drew 55 riders for a two-day event in both Healdsburg, CA and Wayzata, MN. Thanks to the sponsors Zelis, Three Rivers Provider Network, UnitedHealthcare, Optum, Gregg & Amy Grunewald, and riders who helped raise funds for children in the West region through another successful ride. Special shout out to Jennifer and Nathan Roberts for hosting this annual event.

5th Annual Tour de Triangle

On September 25, riders got back on their bikes to participate in the 5th Annual Tour de Triangle. Our new location, rustic event center at Shady Wagon Farm, in North Carolina, was the idyllic place for 36 riders to enjoy a lovely autumn ride. Riders were happy to be riding again at such a beautiful venue. Special thanks to sponsors SAS, Afiniti, Cached Consulting, CoreCompete, Microsoft, Three Rivers Provider Network and Sycomp that participated in the ride to raise money for medical grants for children in the Southeast region.

Doing good while having fun

5th Annual Steppin' Up For Kids

All in the name of fun and philanthropy, 985 people got moving during the 5th Annual Steppin' Up for Kids Move-A-Thon. Individuals from 47 states walked, ran, danced, shimmied and moved throughout the month of June. These enthusiastic participants showed their commitment by raising funds that helped provide 108 grants for children in the United States. The central region team raised the most funds this year gaining them bragging rights and an additional \$10,000 gift to the region by Steppin' Up For Kids sponsor Walgreens.

Getting social for a good cause

This year, 600 UHCCF employees, brokers, vendors, clients, businesses and the general public participated in six social events around the country.

Our Target is Hope

The three Topgolf events in 2021 helped us build brighter futures for children with every swing. These energy-packed fundraising events took place in Atlanta, Georgia; Overland Park, Kansas; and Salt Lake City, Utah.

Guests were invited to take a shot at scoring a \$10,000 cash prize by hitting a hole-in-one. While many came close, none struck it big.

West Wine

The 2021 first-ever UHCCF Virtual Wine event drew a virtual crowd of 100 participants. Attendees sampled hand-picked wines and the finest cheese and chocolate. They heard from wine makers and a cheese monger on the history and pairings of the vittles and libations. Attendees bid on fabulous items during our online silent auction – all from the comfort of their own homes. Grant recipient Kaelyn and her mom from Rexburg, Idaho, joined us to share her story and how the UHCCF medical grant supported her new hearing aids.

New Jersey Gala

On a September evening, 150 guests attended the gala in Jersey City, New Jersey. Guests enjoyed an evening of food, drinks, networking, silent auction and fun. The opulent Liberty House set the stage for this grand evening with its scenic views of New York City and the Statue of Liberty. Boomer Esiason, sports analyst and former American football quarterback, was the keynote speaker of the evening.

Florida Fishing Tournament

The 5th Annual Florida Fishing Tournament was the biggest ever. Twenty boats hit the water to fish, benefitting UHCCF. The tournament began and ended at the docks of the beautiful Marriott Sanibel Harbour Resort and Spa in Fort Myers. After spending the day on the water, participants and guests enjoyed an awards program and bragging rights as the winners were announced.

Team UHCCF

These intrepid individuals were not running on empty. This year, more than 660 people showed their support and spirit for UHCCF. Team UHCCF runners participated in races throughout the country, including the Grandma's Marathon, Twin Cities Marathon, Teddy Bear Run and UHCCF Hope's Fall Fun Run. Runners from 35 states came together to run for the cause. Each person either ran a marathon, half marathon, 10K or 5K; and pledged to raise funds for UHCCF. A big thank you to UnitedHealthcare and Optum for sponsoring these great events.

Each of these fun events was attended by a child, like Grace, who received a UHCCF medical grant. The children's attendance helped to make the importance of the events real for guests.

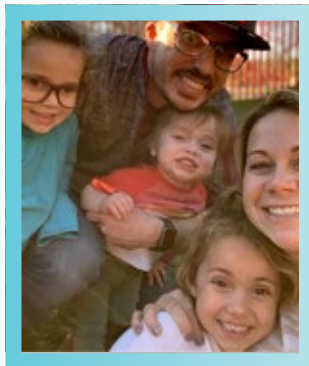

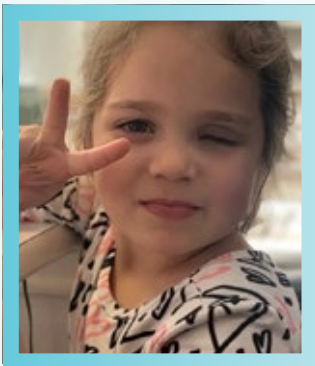

Grace

FORT MYERS, FL | AGE 6

Grace was born with Mosaic Trisomy 9, which impairs her speech as well as her gross and fine motor skills. The grant she received from UHCCF helped her family cover the cost of multiple occupational therapy visits. Her work with occupational therapists brought her to new levels of function. She's now able to swallow without aspiration and has more control over her motor functions. Her risk of falling has been significantly reduced. Because of UHCCF, Grace gets to experience the joys of being a child that were previously beyond her reach. She's learning to ride a bike and playing on the playground with friends. She even participated in a musical program at Christmas.

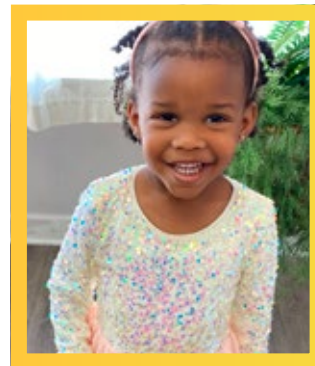

THANKS from our families

Madison NEW BRAUNFELS, TX | AGE 6

"Madison was diagnosed with Bilateral Retinoblastoma at age 3 months. She's had many treatments and procedures. In January, she'll start the survivorship program, a yearly exam to check for other types of cancer. We're thankful for the consideration of this grant that is available for families. It's not easy to watch your child go through cancer treatments, and it's a big help to have assistance with medical costs so that it is one less thing to worry about. Thank you, UHCCF!"

- Madison's family

Cade NAVARRE, FL | AGE 2

"My family and I would like to thank you for your generosity. Receiving our grant has helped tremendously to cover part of the cost for Cade's speech and occupational therapy. She is now communicating a lot better and developing every day. She will be turning 3 years old this coming February, and we feel confident she will be able to attend school shortly after due to the development of being able to express herself clearly.

We look forward to continuing to work with UHCCF!"

- Cade's family

Helping make SPIRITS BRIGHT

Simply Do Goods™

We've added new branded merchandise – journals, socks, coffee mugs and more – to the online Simply Do Goods store, shopuhccf.org.

UHCCF also has a new online wholesale store front on **Faire**, allowing our retail partners to directly purchase our products for sale in their stores. All purchases help raise money for children's medical grants.

Hope for the Holidays

Hope for the Holidays included the 7th annual UHCCF Online Holiday Toy and Gift Auction. New fundraisers this year included holiday greenery, gourmet food items and personalized holiday cards. The return of the Bears That Bring Hope was a hit. Each bear was sponsored by UnitedHealth Group leaders, teams and partners. They featured event experiences such as attending a Minnesota Twins or New England Patriots game, as well as cooking/baking supplies, a trip to the beach and customized wine offerings. All together, these programs raised enough to fund grants for 84 children.

2nd Annual Pic My Pet Photo Contest

Is anything cuter than photos of people's pets? This year, 535 contestants entered their furry friends in our online pet photo contest sponsored by Figo. In August, participants cast 1,135 votes for their favorite critters. The contest raised enough to fund 52 medical grants.

Congratulations to the cutest pets:

- First place – Captain, Morgan & Rummi
- Second place – Maeve
- Third place – Marvin

Together, we do change lives

Delivering Grins

 Grins² launched a new online store in August, uhccfgrins2.org. These gifts brought joy to not just one, but two children. One child in a hospital received a healthy dose of laughter and inspiration from their Grins² gift. At the same time, contributions helped a second child receive needed medical treatment through a UHCCF medical grant. In total, 1,578 Grins² items went to 154 children's hospitals across the country.

Delivering a smile is easy!

Select the product you want to donate. Select "Grins² - Donate to a Children's Hospital"

Select a state and hospital

Add items to your cart and complete donation

Continue shopping to send additional smiles or send the same item(s) to a different hospital

Visit uhccfgrins2.org

Cuddles to Go

Fifteen Cuddles to Go events raised funds to help provide 36 medical grants to children across the country. Our Cuddles to Go program was also featured as a social responsibility activity at the 2021 UnitedHealthcare Service Heroes Virtual Summit. Participants made 490 blankets that were distributed to 11 organizations across the United States and internationally.

Hope's Heroes

Hope's Heroes events encourage hosts to create their own fun events to raise money for UHCCF. This year, 10 teams hosted virtual events such as the Annual UnitedHealthcare Leadership Ugly Holiday Sweater contest and The Provider Operations Grammar School Throwback Photo contest. These events helped fund 77 medical grants.

Tickets for Hope

In 2021, Tickets for Hope brought out the best in donors. Individuals purchased concert tickets for Dude Perfect and Lauren Daigle, as well as tickets to sporting events such as Minnesota Gopher's Men's Basketball and hockey, and the Minnesota Twins.

Roundup App Change for Kids

One way to help build brighter futures: round up your everyday purchases to the next dollar for UHCCF. Every little bit helps, and it's easy with the RoundUp App. Approximately 78 recurring donors have rounded up.

Malcom BOZEMAN, MT | AGE 3

"Malcom was born with an extremely rare skin condition that causes fat and muscle degradation on one leg. He requires physical therapy twice a week and has to travel quarterly to see a dermatology specialist. UHCCF has allowed Malcom to attend physical therapy and learn to move almost as well as his peers. Thank you very much!"

- Malcom's family

Sullivan

WYOMING, MN | AGE 4

Sullivan was diagnosed with chronic otitis media which caused frequent ear infections, colds and sore throats for most of his life. With the help of his UHCCF medical grant, Sullivan was able to have a life-changing surgery and he no longer suffers from any chronic issues. Sullivan is now able to live a healthy and active lifestyle.

Be part of a child's LEGACY

UHCCF Planned Giving Program

Our Planned Giving Program allows donors be part of grant recipients' lives and legacies. Your support today will impact generations to come.

Choose how you want to give:

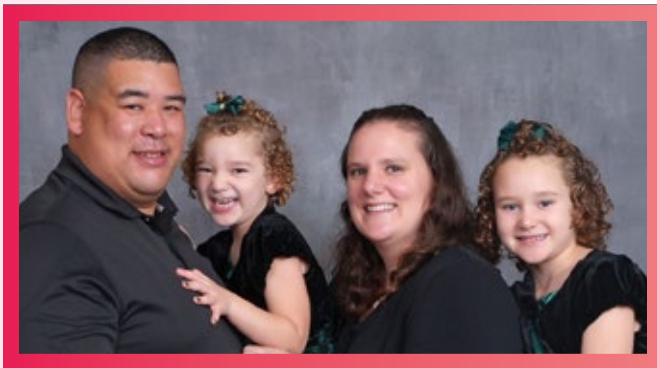

- Memorial and tribute gifts
- IRA charitable rollovers
- Beneficiary designations (i.e., retirement plans, wills, and living trust bequests)
- Appreciated stocks
- Charitable trusts
- Charitable annuities

It's easy to find the right gift and become a hero:

We now accept gifts of appreciated stock. Working with your financial or tax advisor, we can create a personalized giving plan that's right for you.

Contact:

Jennifer Havard at jennifer.n.havard@uhc.com, by phone 763-361-9608, or visit our website at uhccf.org/support-uhccf/planned-giving.

Bailey VANCOUVER, WA | AGE 7

Bailey is a multi-grant recipient, receiving support for her life-threatening food allergies.

"We are so grateful for your generosity to help Bailey. With a medical grant from UHCCF, she is able to eat nine foods - mostly nuts and seeds - that previously would have made her deathly ill. Thanks so much! We are so thankful for your help and this program!"

- Bailey's mother, Amanda

How to make a contribution

Interested in helping fund medical grants for children in your area? Visit uhccf.org to make an online contribution or send a check payable to UnitedHealthcare Children's Foundation to:
UHCCF
PO BOX 860734
Minneapolis, MN 55486-0734

DOUBLE YOUR DOLLARS

If you are a UnitedHealth Group, UnitedHealthcare or Optum employee you can have your donation matched by the United Health Foundation.

Visit: uhc.giftlegacy.com

Not an employee of UnitedHealth Group, UnitedHealthcare or Optum?

Use our online lookup tool to see if your employer participates in our match program.

Visit: uhccf.org/donate-now

How to apply for a grant

The UnitedHealthcare Children's Foundation offers medical grants that provide timely financial relief for families who have children with medical needs not covered, or not fully covered, by their commercial health insurance plan. Families do not need to have UnitedHealthcare insurance to be eligible.

Discover all the ways to help impact the lives of children and their families.

Hannah

AKRON, OHIO | AGE 9

Born with Larsen syndrome, a rare condition that adversely affected many of Hannah's joints, she was unable to walk. At age 6 in 2019, her adoptive family learned that her dream was to walk on her own. UHCCF, in the business of helping create miracles, gave Hannah's family hope. In 2020 a surgeon repaired Hannah's legs, followed by extensive, costly therapy funded by a UHCCF grant. Without therapy, Hannah wouldn't be the energetic, exuberant 9-year-old she is today. Bolstered by her ability to walk on her own, she runs everywhere, bringing joy to her family who explains how humbling it is to be on the receiving end of such generosity.

THANK YOU!

Together, we do change lives.

With your support, UHCCF can improve the lives of children and families across the nation. Since 2007, your donations have helped deliver over 29,700 grants valued at \$61.5M. We continue to grow stronger together!

MN017-W400 | 9700 Health Care Lane | Minnetonka, MN 55343
