

UnitedHealthcare Children's Foundation Press Kit

1. About UHCCF

- **Mission Statement:** UnitedHealthcare Children's Foundation (UHCCF) is dedicated to facilitating access to medical-related services that have the potential to significantly enhance either the clinical condition or the quality of life of the child and that are not fully covered by the available commercial health benefit plan.
- **History:** Since 2005, we've been able to award more than 37,000 grants valued at over \$75M to children and their families throughout the United States. These grants help enhance children's clinical conditions and quality of life.
